As an associate, I focus my practice in the area of complex commercial and intellectual property litigation. I play an integral role in cases by researching unique areas of law and by strategizing with the team to accomplish the needs of our clients.

Prior to joining as an associate, I was a law clerk with Chapman Singola. This opportunity allowed me to gain valuable experience including preparing briefs and motions, drafting oral arguments, and assisting with a jury trial. My valuable experience as a law clerk and now as an associate at Chapman Singola has provided me with the exceptional opportunity to develop my litigation skills. I strive to use my experience and skills to effectively achieve my clients' interests and goals.
